THE BEATLES - PLEASE PLEASE ME LP (ORIGINAL UK 'BLACK AND GOLD' PMC 1202 - ARCHIVE COPY)

THE BEATLES - PLEASE PLEASE ME LP (ORIGINAL UK 'BLACK AND GOLD' PMC 1202 - ARCHIVE COPY). An unbelievable condition 1st UK mono 'black and gold' copy of Please Please Me. The record (PMC 1202 on Parlophone's striking 'black and gold' labels with Dick James credits for tracks A1, A2, A6, A7, B4 and B6) has an extra 'wow' factor as it contains the ridged label on side 2 only... The record is in superlative Ex+ condition. A wonderful example, there are only a couple of extremely faint, slight and wispy paper marks to the playing surfaces. With stunning clean labels, MT tax code side 1. Matrix/mother/stampers: XEX 421-1N 2 GD & XEX 422-1N 1 H. Housed with clean original Emitex inner. The sleeve is in stunning Ex+ condition. A superlative example that rather feels 'as new' when handled, there are just a couple of very light creases to the laminate around the edges. No signs of shelfwear with the reverse flipback tabs in mind-blowing clean order.
