THE BEATLES - PLEASE PLEASE ME LP (UK 5TH STEREO - PCS 3042)

THE BEATLES - PLEASE PLEASE ME LP (UK 5TH STEREO - PCS 3042). A lovely clean example 5th stereo pressing of the classic debut long player from the fab four. The record (PCS 3042, 'The Gramophone Co Ltd' label rim text, 'Sold In UK' label text) is in super clean Ex+ condition showing just a couple of extremely faint and wispy paper marks. The original stereo sleeve for this copy (small stereo) is in equally as impressive Ex+ condition showing just a couple of extremely minor creases.
