SAEHAN SSC-75TRD SEMI-ACOUSTIC GUITAR

SAEHAN SSC-75TRD SEMI-ACOUSTIC GUITAR. Serial No: 94031. With Eastwood Guitars soft case (a bit too small for the guitar).

Given as a present for opening a huge new music superstore on Regent Road, Salford in 1993 (now PMT). Me and Mrs Merton put on a big drunken show in the afternoon and I cut the ribbon to open the shop. Mrs Merton demanded I be paid for my efforts and they said, "He can pick one thing that he wants!". I loved the colour of the guitar. As we were staggering out I noticed the forklift truck salesroom next door and then found out 'The Salford Lot' had robbed them on the very same night by stacking their Fork Lift Trucks up 5 high, lifting the metal roof off and taking all the stock. The manager later said to me, "That guitar was lucky! They were very efficient, they cleaned us out!". Used extensively on a lot of Monaco tracks including 'What do you want from me', 'Shine' etc...
