TERRY AND TWINNY NEWSPAPER HEADLINE, FRAMED

TERRY AND TWINNY NEWSPAPER HEADLINE, FRAMED. Which reads "Terry and Twinny \$40,000 Road Crew Foul Up!" Frame measures approx 55x44cm - small crack in frame.

Done for a moment of levity on the way back from the police station after reporting the theft of all our equipment, by me and Rob Gretton. We stopped off in Times Square at a shit knick-knack shop and got this printed. It was hilarious watching the look on Terry and Twinny's faces when we showed it to them... they were convinced they had made front-page news in America. God, we could laugh at anything... A rare quality.
