**IBIZA AMNESIA POSTER**

IBIZA AMNESIA POSTER. From New Order's Ibiza Technique visit! Frame measures approx 65x55cm. Small crack in the glass.

*Stolen from Ibiza Town... you had to get two to frame one because they would rip a different piece off each poster to stop people nicking them. Took me ages to find two with the right rips. It was a wonderful club... I fell in love straight away, probably the drugs... Music was awful, but the rooftop terrace looking at the stars was the place to be. Saw Boy George there and told him I loved him.*
