MIKE STUART SPAN - CHILDREN OF TOMORROW 7" (ORIGINAL UK DEMO RELEASE - JEWEL JL 01)

MIKE STUART SPAN - CHILDREN OF TOMORROW 7"
(ORIGINAL UK DEMO RELEASE - JEWEL JL 01). The epitome of the British Psych movement now with the monster double header Children Of Tomorrow c/w Concerto Of Thoughts from Mike Stuart Span. The record (original demo pressing on Jewel JL 01, promo stamped '16 FEB 1968') is in very fine VG+ condition. Showing just a few light and minor surface marks, these are never heavier in nature whatsoever with absolutely no feelable scratches. With very bright and clean labels.
