THE TIMES - ORIGINAL UK 7" COLUMBIA DEMOS

THE TIMES - ORIGINAL UK 7" COLUMBIA DEMOS. Smashing pack of THE 2 x scarce original UK 7" demos from The Times who hailed from our neck of the woods in Warrington! The records have been play tested. Both fantastic Mod winners, titles are Think About The Times c/w Tomorrow Night (DB 7804 - VG with a number of surface marks and a scratch on the B side - both sides played without any skips/jumps or nasty pops, some low lying surface noise, centre missing) and (She Can't Replace) The Love We Knew c/w Reconciled (DB 7904 - similar VG with a number of surface marks and a couple of light scratches - both sides playing without any skips/jumps or nasty pops, some low lying surface noise moreover noted on the B side). Both with original company sleeves.
