**CLOUDS - MAKE NO BONES ABOUT IT 7" (ORIGINAL UK
COPY - ISLAND WIP 6055)**

CLOUDS - MAKE NO BONES ABOUT IT 7" (ORIGINAL UK COPY - ISLAND WIP 6055). One of this writer's all time favourite Mod/Psych 45s from Clouds with the absolutely mega 1969 cut Make No Bones About It. The record is in VG condition with the A side showing only a couple of light and minor surface marks, the B side has some surface marks and a light scratch at the end of the song which causes some minor surface noise and clicks as the song is fading out, though no skips/jumps or otherwise. Housed with the original company sleeve. "...And make no bones about it, I don't doubt it that a dog could have a better life!"
