David Bowie - David Bowie LP (Original UK Philips Pressing - SBL 7912)

Always fantastic to see original UK copy of the landmark November 1969 LP from David Bowie that would transform into 'Space Oddity'... Original UK pressing with Essex Music Int. Ltd. credits on both labels. The record is in VG+ condition showing some light surface marks to the playing surfaces though these are never heavier in nature with no scratches noted. There is a very light 'edge warp' that we believe to be aesthetic only. Matrix/runout: 852146 1Y//2 * 11 2 & 852146 2Y//2 1 1 1. The original UK gatefold sleeve is in neat VG+ condition with some light ringwear on the front and some shelfwear noted; there are absolutely no rips or tears.
