COMPLEX - 'UNTITLED' UNRELEASED 10" LP (CRAIGHALL RECORDING). The second copy of surely the 'holy grail' for Complex collectors, here's the Craighall Studios original 5 track 10" acetate LP recording. As before side one contains original compositions 'We Don't Know Yet (untitled)' and 'To Make You See Me' with side 2 containing covers of 'Witch Queen Of New Orleans', 'By The Time I Get To Phoenix' and 'Shaft'. The record is in VG condition with side 1 showing a few light surface marks, side 2 with some light deterioration to the lacquer. Printed 'Craighall Tape To Disc' labels with track titles and lengths handwritten 'COMPLEX St. Annes 23355' also handwritten on the labels. The original 10" card white sleeve has stickered the image on the band next to their logo and 'Dances, Cabaret, Clubs, Shows' printed, handwritten on the reverse are the personnel and stating 'Taped March 5th 1972'.
