KRAFTWERK - KRAFTWERK LP (ORIGINAL UK VERTIGO SWIRL PRESSING - 6641 077)

KRAFTWERK - KRAFTWERK LP (ORIGINAL UK VERTIGO SWIRL PRESSING - 6641 077). Neatly presented original 1972 double LP which features Kraftwerk's first 2 German albums. This 'variant' (nor reissue) pressing with '© 1972' above 'Made In England' on the labels. Record one is in stunning archive condition showing very few discernible marks. Record two is in strict VG condition - largely very clean, there is a 'pencil' surface mark running through the majority of 'side 1', this is not a feelable scratch. Complete with original British Patent No. 800153 & 973939 swirl inners in Ex condition. The fully laminated gatefold sleeve is in Ex condition with a few light scuffs and very minor ringwear. With original 'only £3' price sticker.
