BOB DYLAN - BLONDE ON BLONDE LP (ORIGINAL US PROMO MONO PRESSING - COLUMBIA C2L 41)

BOB DYLAN - BLONDE ON BLONDE LP (ORIGINAL US PROMO MONO PRESSING - COLUMBIA C2L 41) A stunning Bob Dylan rarity with this original US 1966 mono promo copy of Blonde On Blonde. Issued on white 'two eye' labels which state Radio Station Copy - Not For Resale. The records are in lovely and clean Ex condition with just a couple of very occasional light and minor hairline marks which are certainly never heavier in nature. The gatefold sleeve is original with 9 internal images including one of Claudia Cardinale and has the original promo timing release stuck to the back cover with track timings for the radio stations. Condition of the sleeve is neat VG+ with a few light creases and a little foxing, never heavier. NB this is a different copy than that of the one that was sold in our specialist auction in March 2021.
