THE GODS - GENESIS LP (ORIGINAL UK MONO PRESSING - COLUMBIA SX 6286)

THE GODS - GENESIS LP (ORIGINAL UK MONO PRESSING - COLUMBIA SX 6286). Really neat condition original UK mono copy of the brill 1968 LP from The Gods. The record (Columbia black/blue labels SX 6286, with a Factory Sample sticker on side 2) is in clean VG+ condition - both playing surfaces nice and glossy, there are a few light and minor surface hairline marks noted, these absolutely never heavier in nature. Matrix: XAX 3676-1G & XAX 3677-1G. With og company inner. The sleeve is in very sharp Ex condition - a great example, there is some light discolouration on the reverse and a couple of very light and minor creases.
