THE JIMI HENDRIX EXPERIENCE - ELECTRIC LADYLAND LP (ORIGINAL UK PRESSING - TRACK 613008/9)

THE JIMI HENDRIX EXPERIENCE - ELECTRIC LADYLAND LP (ORIGINAL UK PRESSING - TRACK 613008/9). Superb example original UK 'white text' copy of the legendary 1968 double LP from The Jimi Hendrix Experience. Record one (613008) is in brill Ex+ condition with a very light and fine hairline mark on 'side D'. Record two (613009) is in similar fantastic Ex+ condition showing just a couple of very faint and wispy paper hairlines. Really clean records. A1/B1/A1/B1 original 'corrected' matrix. The original laminated gatefold sleeve (large image of Jimi on the right section of the inside gatefold with smaller pictures of Mitch Mitchell and Noel Redding underneath) is in very crisp Ex condition with only some very small and light creases and a very light 'wavy' nature to the opening edge (certainly no water damage etc).
