#### **THE LEFT-HANDED MARRIAGE - ON THE RIGHT SIDE OF THE LEFT-HANDED MARRIAGE LP (ORIGINAL SELF-RELEASED COPY - BRIAN MAY CONNECTION))**

THE LEFT-HANDED MARRIAGE - ON THE RIGHT SIDE OF THE LEFT-HANDED MARRIAGE LP (ORIGINAL SELF-RELEASED COPY - BRIAN MAY CONNECTION). Wonderful to see original self-released LP from The Left-Handed Marriage - one of only 50 copies produced from the band that once featured Brian May on guitar and backing vocals! The record is in solid VG condition. There are some surface marks to the playing surfaces, though these are not heavier in nature with no feelable scratches to mention. Contains a printed label on side 2, side 1 without a label (appearing to have come off). Housed with the original 'pasted' hand made picture sleeve in VG condition - there are some creases, foxing and a couple of very small paper tears to the edges though the 'integrity' of it remains strong.
