HAWKWIND - HURRY ON SUNDOWN 7" (ORIGINAL UK DEMO - LIBERTY LBF 15382 - WITH PROMO FLYER)

HAWKWIND - HURRY ON SUNDOWN 7" (ORIGINAL UK DEMO - LIBERTY LBF 15382 - WITH PROMO FLYER). The completely wicked debut cut from Hawkwind, this incredible archive condition copy housed with the original promotional flyer from Liberty Records. The record is in as stated archive condition. An impeccable copy, there are very few discernible marks to the playing surfaces and with just a couple of extremely light spindle marks, this record has clearly been played sparingly. With the original commercial release date (7/8) handwritten on the A side label. The original 'New Singles From Liberty Records' flyer is in excellent condition.
