LEAF HOUND - GROWERS OF MUSHROOM LP (ORIGINAL UK PRESSING - DECCA SKL-R 5094)

LEAF HOUND - GROWERS OF MUSHROOM LP (ORIGINAL UK PRESSING - DECCA SKL-R 5094). Absolute holy grail time now for fans of Heavy UK Prog/Psych with this fantastic condition copy of the legendary 1971 LP from Leaf Hound. The record (Decca SKL-R 5094) is in fantastic Ex+ condition. Presented in superlative condition, there are just a couple of extremely faint, fine and wispy paper marks, these as stated and barely visible! The extremely clean labels showing just a couple of very light spindle marks indicate that this copy has been played sparingly. A final upgrade. Matrix/mother stampers: XZAL-10643P-1D 1 U & XZAL-10644P-1D 1 B. The sleeve is in sharp Ex condition. Lovely and clean, there are a couple of light creases, perhaps moreover noted on the front bottom right corner/reverse bottom left corner.
